

THUY NGUYEN, MBA

Toronto, ON | ngocnhuthuy.nguyen@gmail.com

Strategic marketing lead with 9+ years of experience driving data-driven campaign strategies and complex marketing automation. MBA graduate specializing in managing high-volume lifecycle programs (100K+ contacts). Proven track record in leading cross-functional teams, mentoring junior developers, marketing coordinators and collaborating with executive stakeholders to align marketing priorities with organizational vision.

PROFESSIONAL EXPERIENCE

Digital Marketing Lead, Strategy Online | Brunico Communications

June 2025 – Present

- **Strategic Leadership:** Serving as the primary SME for lifecycle marketing campaigns, leading journey strategies to drive consistent YoY revenue and engagement growth.
- **Team & Stakeholder Management:** Communicating complex technical solutions and performance reporting to executive stakeholders and external agencies to optimize a database of 100,000+ leads across different brands.
- **Governance:** Governing content production and data flows to ensure 100% adherence to brand standards and CASL/CAN-SPAM regulations.

Marketing Technology Systems Coordinator | Seneca Polytechnic

October 2022 – June 2025

- **Technical Execution:** Led the technical planning and deployment of complex B2C lifecycle campaigns using SFMC (Journey Builder, Automation Studio) to drive recruitment for 100,000+ prospects.
- **Mentorship:** Acted as the trainer for junior team members, establishing production standards and quality control procedures to maximize deliverability.
- **Solutions-First Optimization:** Audited journey mapping and implemented rapid technical changes to resolve bottlenecks, directly improving campaign efficiency and customer satisfaction.
- **Data Automation:** Leveraged SQL and AmpScript to automate seamless data flows between internal databases and marketing platforms, ensuring high-fidelity targeting.

International Communication Project Coordinator | Humber College

May 2022 – October 2022

- **Process Innovation:** Researched and implemented automated workflows using Microsoft Automate, saving 500+ work hours and boosting departmental productivity.
- **Data Integrity:** Managed international student databases, ensuring data hygiene and accuracy for targeted global communication segments to support enrollment.

Marketing Coordinator | Brunico Communications

October 2021 – May 2022

- **Campaign Management:** Led end-to-end email marketing and automation projects, focusing on lead generation and retention for major B2B events.

Media & Communication Intern | United Nations (UNEP-SCBD)

July 2021 – October 2021

- **Global Collaboration:** Collaborated with cross-functional teams to align digital communication strategies with global organizational goals.

Digital Marketing Co-op | YWCA Canada

March 2020 – May 2020

- **Multi-Platform Execution:** Executed a comprehensive social media and email PR campaign to promote national research on domestic violence.
- **Content & Branding:** Managed website updates and designed the layout and branding for official research publications to ensure cohesive visual identity.

EDUCATION & CERTIFICATIONS

- **Master of Business Administration (MBA)**, Carleton University (2025)
- **Professional Certificate in Project Management**, Google (2021)
- **Postgraduate Certificate in Corporate Communications**, Centennial College (2019)
- **Bachelor's of Arts (BA) in Communication**, RMIT University (2012 – 2016)
